

## Comments and ideas gathered at our workshops between April - July 2015

Which Place makes you feel Happiest? Why?	Stondon Park, I live in tendon park
	The ravioli ballroom, always makes me smile
	in my home with family, I do not feel safe in this area
	St Hilda's Church
	Blythe Hill Fields - views peaceful
	Honor Oak Park
	Honor Oak Parade, lovely shops and restaurants, outdoor seating
	Blythe Hill Fields - views
	Blythe Hill Fields -lovely view
	Library; community saved it and it is a safe comfortable place to relax and read
	The atmosphere; keep fit classes
	Ackroyd Centre; friendly people
	I do come to acaroid club for over 2 years and is the best thing I ever did. I am in the exercise class on a Tuesday and along with others and I really enjoy it. We have a laugh and that matters very much. I hope it stays forever
tennis courts; calm private park quiet	

What makes 'this' place good?	Bellina Street, happy place and comfortable area to live
	Honor Oak (whole area) - Green and countrified
	Innovative Shops and a park nearby and a station - perfect! (placed on Stondon Park road, junction of Rockley rise)
	hills and green space make this a good place (placed on kings college fields)
	Friendly, and a selection of shops; Brockley Jack
	Railway community garden is a potential green oasis
	Good shops, restaurants, seating area
	lovely green space and trees, creates fresh air and makes relief from the tired road (placed on green on corner of dun comb hill)
	Sense of community, green spaces, good transport links, varied shopping - independent shops
	Grieson Road - good routes for cycling
	Outdoor seating, 'buzz'; good nursery
	Manwood Road needs a lot more trees and greenery
	Size, pace; not Peckham!

Where do I like to sit and spend time alone	Hilly Fields, peaceful green view
	in the park, but with others
	Crofton Park Library, is a good place to sit alone and read
	at home in armchair with a cup of tea

Which street has the house I'd much rather live in	Chudleigh Road, wide road, less traffic
	Lowther Hill, because of the secret park behind!

What is your favourite shop/visit most and why?	don't visit any, take bus to Lewisham town centre and shop there
	Pat-a-cakes - discuss the area
	Arlo & Moe
	(Shop on Wyleu street) - good atmosphere, food
	SIDS plumbing shop
	Sodo Pizza
	Jumping Bean on Honor Oak Park Road; great for emergency gift shopping!
	Brockley Jack - place for a meal, long lunches
Budgens, customer Friendly, prices low	
my favourite shop is M&S and Sainsbury's n forest hill - very well set up and clean	

What types of shops/facilities are lacking	gym
	chemist in Honor Oak Park
	green grocers
	butchers
	bakers
	A proper bakers, butchers, green grocers on main high street
Green Grocers on Ewhurst Road	

	<p>By Acorn Estates, Big piece of public art like Bellenden  on main Brockley Road - Less bumps in the road  Would like to see small multicultural shops engage more  on main Brockley Road/beginning of Rockley rise triangle - better pavements for mobility scooters, tree roots uprooting pavements  more traffic lights, Stondon park  open gate to Brockley Cemetery everyday and link into a 'chain' walk with Blythe Hill, Hilly Fields, One Tree Hill  need to structure mixed use and intensification so that housing is along the streets around the Malthan street area  Does Gabriel Street need a gate? Could the gate be substituted for more trees?  green up the area. This area is a historic remnant of the old Rockley green  remove acorn estates building; a blind spot  landscaping, narrowing on Eddystone Road including Bridge.  Crofton park station entrance is inadequate when main office is closed... all the time!  more greenery, possibly a small park? - area around St Hilda's  used to be flowerbeds in the station at Honor Oak Park; bring them back?  Buses to go up the over the Honor Oak Park Hill to Peckham  Hilly area, need more buses to go up the hills; especially up to Blythe hill  litter bins desperately needed on the green opposite Babur  wider pavements for café seating would be nice here  need more street trees  too many fast food restaurants  bank opening hours less food outlets; keep green spaces; airfield road to be one way; heavy traffic and lorries; smoke from food shops  turn Darfield Road into One way streets  Ban double parking on Eddystone Road; blocking the roads as they pick up takeaway  we need to do something (e.g. cameras, notices) to stop fly-tipping and general mess at Crofton Park end of Brockley Grove.</p>
<p>If you were to redesign any location on the map, what would you do/put there?</p>	<p>Make Brockley/Ladywell cemetery more accessible; gate always closed. Open up for better use  Malthan industrial estate; option to intensify and encourage mixed uses?  Link Bridge to Honor Oak Drs could be made safer  Address runoff and flooding in Stondon Park/Honor Oak area  make use of the vacant land around the train station  Blythe Hill, nice, lots of hidden potential  make foot bridges safer  Remove the Japanese knotweed along Crofton park station  Greener area - make it feel like a village; better for the community  Better use of the pavement space, preferably with planning to make the area greener and more attractive  love to see trees in the centre of the road separating the traffic  green trees around the place would help with air quality  More trees in Bexhill Road  Chandos pub - threatening with loud Friday night music. Area needs to be softened with trees and benches.  Trees on the pavement along Stondon Park and particularly around or on the roundabout opposite the chinos would improve the look of the area and provide noise reduction. Consider trees in the middle of the road all along tendon park.  any new trees need to have maintenance/watering plan as part of the contract  create a circular green walk  more cycle lanes to encourage more children and adults to cycle locally  we really need more considerations of planting trees, shrubs and plants around the road scheme  aesthetics make a big difference  over hanging bushes and trees very hard for blind and visually impaired  There should be more trees in Stondon Park  More trees in Brockley rise; more tree lined avenues like in neighbouring Southwark</p>

<p>What street do you find threatening</p>	<p>Kilgour Road - don't feel safe, more neighbourhood Watch, police  junction of tendon park and stillness road: in need of planned development and landscaping. Is it possible to remove manage traffic and introduce pedestrian crossings?  Stondon Park / Brockley Rise junction: raised area a good idea, reduces speeding; need to avoid straight lines to discourage acceleration; roundabout should be very green to break up concrete area; exit from Brockley Rise left turn only to stop traffic blocking the road  Manwood Road: used as a through road, needs crossing near roundabout at Bexhill Road, and more trees  Homesley Road/Brockley Road junction: difficult and scary to cross with young children  Forest Hill opposite baths; 2 many traffic lights  Stretch around Chandos pub; check noise levels. It's a residential area with schools; keep the noise down; consider noise reducing asphalt along tendon park, a bit like pall mall  Stondon park; busy traffic, little of interest to pedestrian  Main road (Brockley road/Stondon park?); too much traffic, noisy, polluted difficult to cross. Traffic goes at speed and makes me feel unsafe.</p>
